Nicole Carr

Mike and Peggy Carr

- Missionary Builders with CBM, Oconomowoc, WI.
- The second snow at Oconomowoc was 6 in. and fell in October. Thanks to God, the building is enclosed. The steeple is on.
- Pray for Mike as he now works remotely 2 days a week with the home office on future construction plans. The Carrs are thus able to get involved locally in even more ministry opportunities since they know they will now stay on location.

Dennis and Peggy Robinson,

- CBM, Missionary Builders in Oconomowoc, WI.

Pete and Dar Ringleberg

- Church builders with CBM home office

Ed and Cheryl Bunt

- CBM Church Planters, Chatsworth, Illinois
- The Church is thrilled to have a lady growing in the Lord, and attending with her 5 children. The family was reached with the Gospel as a result of the Church's free yard sale last spring.
- Some special/needed projects are underway to better the little Church's outreach. Pray that the \$17,000 needed to accomplish these projects will be forthcoming! God has already provided some memorial money and faith promise giving from the people in the Church!

Anna Beth Wivell (www.annabethwiv.com)

- Continue to pray for the every-day difficulties in the life of a translator in Chad.
- Furlough for Anna Beth will be from June 2020 to May 2021. Pray for her itinerary to be just what God would will.

Rhonda Green RN

- Micronesia Medical Missions, Baptist Mid-Missions, Guam

The Mapes

- With Baptist Mid-Missions – Ghana.

- Making Melody Camp went well this first year. Pray for the campers for next August when the opportunity will be repeated. Some participants are already composing their own songs and putting them to music so they can be sung and passed on to future generations. **Instructors from the States are needed for 2020 – Music theory pianist, conductors, tone chimes, and possibly guitar class.**
- Twelve students started fall classes in the Institute. Pray for them as they do practical outreach along with Bible studies. Pray for additional students next semester.
- Dan's father passed away since the Mapes last report. He was a former missionary in Ghana and much beloved to people there.
- Join the Mapes in praying that the School there will become independent and the people themselves will continue to show they want to actually "own" it as theirs. The Ghanans recently stepped up to get a needed printer for the School which is the first indication of this prayer being answered.

Pat and Wendy Campbell

- Baptist Mid-Missions, Missionaries to Peru
- The Seminary recently celebrated its 25th anniversary!
- Pray students will finish the semester strong in December.

- The Campbells appreciate Women's Missionary groups that are serving the ministry in Peru through projects and prayer.

Wesley and Sonia Chatla

- International Gospel Missions – Church planting in India

Mark and Leslie Boyd and Family

- Church planting missionaries to Germany.
- Mark shared pictures of the recent baptismal service. Over 85 people attended. Many attendees were unsaved folk who heard the Gospel for the first time.
- Pray for a paperwork submission. The city had an unattainable requirement regarding water drainage from the roof of the Church building. The architect is going to write a letter explaining why this one requirement could not be met. Pray that the reason for not doing this is accepted and the building will still be granted their rezoning.
- The theological training institute has begun a new semester.

Luke and Bethany Snell and boys

- Baptist Mid-Missions to Germany.
- One of those baptized by Mark Boyd was a lady with whom Bethany did a discipleship study while the Snells were still in Neumarkt. This brings joy to the young missionaries and praise to God for what He has done.
- The Ted Fletchalls are retiring and have asked the Snells to join the ministry team in Ingelheim this summer when their time as substituting in Oberpfraundorf comes to an end. After careful consideration, they plan to accept the offer for future service.
- Pray for Daniel, a young teen, who shows an interest in the preaching ministry. He will be preaching as the teens have a youth service this month.

Aaron Brudtkuhl with Baptist Mid-Missions now in Germany

- He is having many opportunities to teach and preach.
- Pray for his University classes. He is attending the only Catholic University in Germany. He is auditing religion and theology classes. It is an opportunity to get to know students. Pray for him as he attends classes that "knock at the foundation of my faith."
- His coffee fact this letter: THE LARGEST CUP OF COFFEE EVER FILLED WAS 9 FEET TALL.

James / Christen Taylor – Brazil (www.taylors4brazil.blogspot.com)

John and Bev Leonard (www.prayforjohnblog.wordpress.com)

- Baptist Mid-Missions, in Brazil

David and Patti West

- Gospel Mission of S.A. in Argentina preparing to teach pastors to be better in ministry.
- Dave's Bell's Palsy has improved. He speaks understandably and no longer has pain.
- The immigration paperwork has been obtained from the government, but some question as to whether too much time elapsed so that they Wests will need to reapply with the Government remains.
- They have been visiting via computer with folk in the States and would love to set up a visit with individuals or a Church.
- Pray for Dave as he is preaching more now. Sermon preparation is quite an arduous exercise and requires using a manuscript when he finally has it all ready to present. That is something new to him.

LET'S PRAY, GIVE, AND GO TO OUR NEIGHBORS AND CO-WORKERS! IF WE ARE ALL FAITHFUL IN OUR TASK, THE JOB WILL GET DONE! Pray for FBBC and Seminary students facing final exams. Pray for Pastor Capon, State GARBC Rep., Alpha Women's Center; our KJAN Radio Broadcast and our website: www.fbcbrayton.org; Baptist Children's Home, and Memorial Christian Hospital in Bangladesh. Alpha Women's Center needs our prayers. Pray for Israel/the Jews. Pray that we will reach those who need the Lord where we work and in our own neighborhoods. Pray for our Sunday School and children's church. Pray for Kids for Truth to reach out to boys and girls who need to know God's Word. Pray for and attend Women's Bible Study and WMF meetings. (Note hall missions' board for agency updates. Important information that this prayer sheet does not have space to include!) ----- NOVEMBER 2019

Mark and Jennifer Tylavsky

- Church Planters with CBM in MD near Washington, D.C.

Joy Akkermann

- Baptist Mid-Missions transitioning to the jungles of Peru
- Thank the Lord for her co-worker, Barb, who has taken the 7 and under age group in the Children's Classes. Joy's older students can concentrate much better.
- Pray for continued opportunities of sharing the Gospel with a couple that are meeting with Joy weekly to study English.
- The Church property purchase is underway, but most of the paperwork must be done several hours away, so pray for Joy's co-workers who have to add this to their full schedules.

Mark, Anahi, and Sophia Self

- Church planters/Serving in Argentina.

Rick and Elaine Fessel

- Assisting the German Missionaries in Eichstatt, Germany (BMM)
- The trip to see family went very well. Things continue to be encouraging now that they are back in Eichstatt.
- Karen visited from the States recently with the Mission's *First Look* program. Pray that she will know God's direction for her. Pray for those who were ministered to while she was there. Outreach continues with the Holiday Season. Pray for those who hear/read the Gospel in person/via materials distributed.

Ben and Katie Wooster

- CBM Builders now at Oconomowoc, WI.
- Their trailer is winterized.
- They are working in Kids 4 Truth, and Katie is playing volleyball in a community outreach for Faith Church.

The Hemsworth Family www.hemsworths2ma.com

- Serving at Missionary Acres in MO.
- Pray for long-term volunteers like Bill Hayes, a retired gentleman who makes being handyman at the Acres his full-time ministry!
- The Hemsworths have been working in day-to-day ministry at Missionary Acres as well as going on some trips to speak about the opportunity for the Lord's servants to retire at Missionary Acres.
- Their support is down 3% due to some individual supporters facing serious health issues and thus having to drop support to the Hemsworths.

The Barry Farlow family

- Serving faithfully in Brazil teaching, and ministering in the local Church.
- The Seminary's first on-line course was mostly a success. Students are excited to have this option.
- Pray for the publishing ministry there. New, more attractive Sunday School material is now being offered, but it takes money to get it printed so that it is available to the Churches. Some Churches are opting for less expensive/doctrine-compromising materials.
- See the photos with the Farlow update – Pastoral house is looking good; a Church member was able to build it and keep the cost down!
